Preface - on Virtual Meetings

- this is webcast per Zoom and via standard RIPE streaming

- life transcript is on https://ripe80.ripe.net/live/steno/

- Feedback and questions?
  - please use the "Q&A" button in Zoom (not the chat function)
  - or use the IRC channel, from the streaming web page

- the session is recorded and will be published

- we only do a short "feedback from PDO and RS" meeting

- no open policy proposals, and the webcast format is not very suitable for a discussion $\Rightarrow$ no discussions today

- as usual: all important discussions happen on the mailing list

Agenda Bashing

- do you want to see anything changed?

- is something missing?

A. minutes from RIPE 79 (Rotterdam)

- have been circulated on the mailing list (yesterday)

- one (positive) comment received so far

- feedback? Any inaccuracies that need correcting?
  - (please comment on the APWG mailing list)

- will be declared final in four weeks (time for corrections)

B. WG Chair Selection Procedure

- process defined by consensus on the AP WG mailing list

- one chair stepping down every year (taking turns)

- Erik Bais to step down this time

- announced on APWG list on January 31, 2020

- only one volunteer: Erik Bais

- a few voices of (strong!) support for Erik

- . . . so that's what you get: welcome and thanks, Erik :-)

B. WG Chair Selection Procedure

- some more words about WG chair selection

- at some future point, Gert or Erik might not be able or willing to continue doing the chairing (Gert is at it since 2003)

- so, looking for a 3rd co-chair / chair trainee to eventually take over

- if you're interested, talk to Erik and/or me
