First 100 days at the RIPE NCC

- Get to know the employees
- Engage Stakeholders
- Strategy 2021 - 2025

Together, let’s shape the future of the Internet

RIPE NCC Mision

- As an authority on unique Internet number resources, we enable our members to operate and develop the Internet
- As a neutral source of information and knowledge, we actively contribute to a stable and innovative Internet
- We are a trusted steward of the open, inclusive, collaborative Internet model, connecting people, communities and stakeholders

Strategic focus 2018-2020

Deliver world-class services while engaging to connect people to maintain the resiliency and stability of the Internet.

Strategy key pilars 2018-2020

- Service Delivery and the Registry/RIPE Database – Rethink service delivery, incorporate a professional trust model, and ensure the accuracy of the Registry/RIPE Database.
- Engagement – Carry out effective outreach to all stakeholders to stay connected and fulfil our goals.
- RIR System – Strengthen the global RIR system and ensure its accountability, transparency and resilience, and allow it to adapt to the changing environment.
- Member Base – Understand our members to meet their needs and add value.

Activity Plan and Budget 2020
